

LETTER of CERTIFICATION
for
REELRIG™

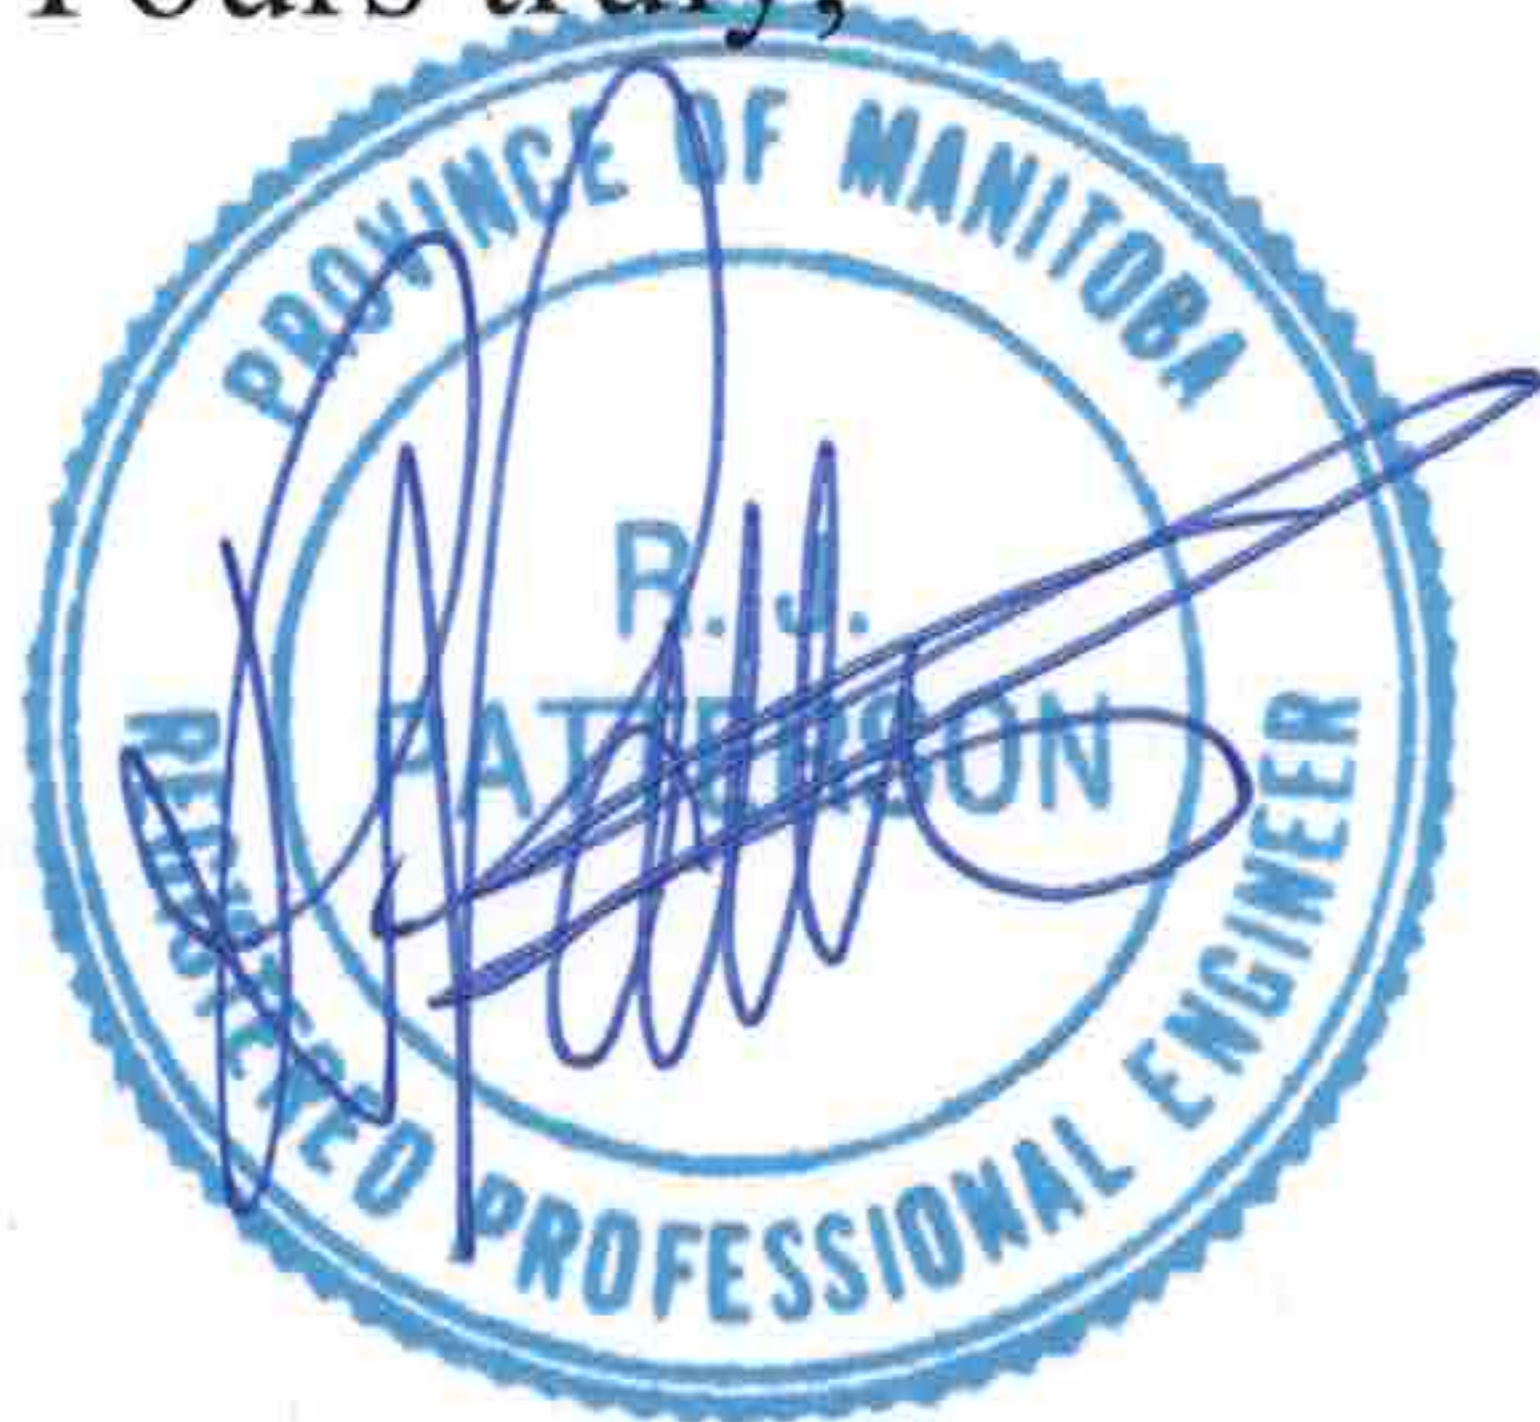

This letter is to certify that the construction drawings and specifications of the REELRIG™ apparatus have been reviewed by the undersigned Engineer.

REELRIG™ is deemed to be operational as an apparatus to house certified welding equipment as per the Manufacture's Operating Instructions.

The REELRIG™ meets the requirements of a structure of this type and no opinion is offered as to the flexibility of the apparatus to accommodate all certified welding equipment that maybe installed.

If there are any questions, please contact the undersigned.

Yours truly,

R.J. Patterson, P.Eng.
